

Weston to Clevedon Cycle Route

Tutshill Crossing Proposals: Kingston Seymour to Wick St.Lawrence

Question and Answer Bank - Kingston Seymour Parish Council (for and on behalf of parishioners) to and from North Somerset Council

No.	Date Raised	Question from the Parish	Response from North Somerset Council	Date Received
1	04-Sep-17	Why do North Somerset Council want to move forward with this now in a time of continued austerity and financial challenge?		
2	04-Sep-17	There is already a signed cycle route between Weston & Clevedon alongside the A370 and using a section of the Strawberry Line. Why not invest in improving the safety of this route alongside the A370 instead?		
3	04-Sep-17	Why have villagers not been formally consulted and why do their views not count into the viability and necessity of the project?		
4	04-Sep-17	Has a true feasibility of options and needs been completed given known access issues and problems of interfacing people and farm animals?		
5	04-Sep-17	Why can't the Cycle Route and Coastal Footpath follow the same route and avoid any access to the village?		
6	04-Sep-17	Can a new bridge be constructed further downstream - nearer the mouth of the Congresbury Yeo - in order to bypass the village?		
7	04-Sep-17	What dialogue has taken place with farmers who use the - currently gated - Mud Lane for their livelihood?		
8	04-Sep-17	Who owns Mud Lane and have they sanctioned its use?		

Question and Answer Bank - Kingston Seymour Parish Council (for and on behalf of parishioners) to and from North Somerset Council

No.	Date Raised	Question from the Parish	Response from North Somerset Council	Date Received
9	04-Sep-17	What consideration has been given to using the WC&P trackbed to go further north than the junction of Mud Lane and join the road network on Ham Lane?		
10	04-Sep-17	What consideration has been given to the vehicular traffic that will be generated into the village as people travel - in their cars - to gain access to the route at Kingston Seymour?		
11	04-Sep-17	What are the plans to maintain the Bio security of the village which are essential for farmers to remain in business and could easily be compromised by further movements through the village?		
12	04-Sep-17	What were the results of the recent traffic survey that was carried out in the village which are understood to be a prime reason why the coastal footpath had to go on the coast due to the danger in village lanes?		
13	04-Sep-17	Will there be a car park provided for people who wish to access the Cycle Route in Kingston Seymour?		
14	04-Sep-17	Will there be a car park provided on the Wick St.Lawrence side?		
15	04-Sep-17	Why are some modes of transport prohibited from the initiative i.e Horses?		
16	04-Sep-17	Where is the Council proposing to source the funding from?		
17	04-Sep-17	Given the current position, what is the likely timetable for this initiative?
